Do R&D, implementation on ARCGIS IOS Map.

Raised a technical support request to ESRI team(<https://www.esri.com/>)

#2 - 03/05/2024 05:46 AM - Jyoshna Behara

- Status changed from In Progress to Closed

Suggested by ESRI sample doesn't work.

<https://community.esri.com/t5/swift-maps-sdk-questions/setup-proxy-rule-for-ios-arcgis-map/td-p/1333265>

```
let configuration = URLSessionConfiguration.default
configuration.connectionProxyDictionary = [
    "HTTPSEnable": true,
    "HTTPSProxy": "localhost",
    "HTTPSPort": 9090
]
ArcGISEnvironment.urlSession = ArcGISURLSession { configuration }
```
