Description			
Show Road name and link name unique Application level.			
In Search, Add and edit mode we need to display the road name and link names below combinations in all modules.			
Format :			
Roadcode (Statechainage units - EndChainage units) - Road name			
linkcode (Statechainage units - EndChainage units) - link name			

History

#1 - 28/04/2024 08:51 PM - Praveen kumar Bandi

- Subject changed from [Service] - Show Road name and link name unique Application level. to [Service] - Show Road name and link name unique in application level.
- Assignee set to Keerthi Karri
- Priority changed from Normal to High

Need to change the display name of road code and link code in dropdown, Search and add screens.

Road Name is combination of chainage, units , road code and Road Name.

LinkName is combination of chainage, units , Linkcode and LinkName
