Description

Hi Bhanu Sir,

This has reference to yesterday's (21.11.2024) meeting with you ,RDA and KOICA Representatives.

RDA has identified the data fields that are required to be integrated to the TDBMS from the SLRAMS, TIS and RIS modules. The details of these data fields are provided in the attachment for your reference.
We kindly request you to initiate actions in facilitating this integration by providing the necessary facilities, permissions, or technical support required to enable the linkage. Your prompt assistance in this matter will be greatly appreciated.
