| Description | | | |
| Need to create Formation width master table in RIS module for AVS. | | | |

History

#1 - 04/12/2024 07:52 PM - Venkata Suryateja Thripuraribhotla

- % Done changed from 0 to 70

Created Formation details and terrain type lookup data tables in Stage application. Need some clarifications from RDA and need internal discussion.

#2 - 04/12/2024 07:53 PM - Venkata Suryateja Thripuraribhotla

- Status changed from New to In Progress

#3 - 13/12/2024 01:29 PM - Venkata Suryateja Thripuraribhotla

- Deployed In changed from Stage Environment to Production Environment

#4 - 31/01/2025 04:22 PM - Venkata Suryateja Thripuraribhotla

- Status changed from In Progress to Closed

Created the same in RIS module in production as well.
