Description

Hi Bhanu Sir,
For the Generic Pigmy File Device, in the Input excel File Society Deposit Number is Provided.
If the Society Deposit Number value in this file is not 15 characters in length Please add Required Number of '0's
as prefix to the Number to make its length as 15.
Once the above Step is completed then this Excel File can uploaded along with ERP File(2nd input File) for Merging Records to
generate output file.
