Description			
Hi Bhanu Sir, Could you please check the following UI issues in the SLRAMS -RMMS Mobile App.			
1) The Last downloaded on date is not displayed after logout and Re-logging in to the App.			
2) While creating a New Program please configure the 2 dropdown fields of Road code and Item code same as that of EE Code . Currently the values are displayed only after clicking on the space button. please display the dropdown Symbol on the fields so that User can select values them with out clicking on Space button.			
3) In the Programs Screen After filling the EE code, Depot Code, Road Code the chainage values are auto populated Successfully, as the displayed chainages are not editable fields please Greyout fields.			
4) In the progress Screen Please display the Completed Percentage in Integers only (if any decimals please display the nearest Integer value)
