Description

Hi Bhanu Sir,
Could you please provide option for the user to enter either Program data or progress data from the home Screen.
The user should be able to add/ edit the Progress data directly.

1) Please increase the Font for the Fields in the Application.

2) For the Amount Field in the Application please display only 2 digits after decimal.
Please display comma (,)separation for the amount value as hunderd thousand, one million etc.

ex: 100000 to be displayed as 100,000
not as 1,00,000.
