Description			
error message while generating the Bridge List PIU report under BIS Module			

History

#1 - 15/07/2024 02:59 AM - Gautam Kumar

- File PIU_Bridge_list.jpg added

WRT above image 'error_bridge.JPEG' the error while generating report is "procedure or function 'GetBISBridgeLstDtl_PSU' expects parameter '@Surveyid' which was not supplied" also the survey id in the image we can see is '4', but in web app report is generating successfully.
