Description

25 -Logout Functionality Not Implemented
CWE : CWE-1028
Description :
Logout functionality has not been implemented properly post login in the application.
Affected Path(s) :
https://earogya.satragroup.in/change-password *-Applicable to entire application
Impact :
This flaw that lets an application permit an attacker to reuse old session credentials or session IDs, thus exposing an application to attacks that steal or reuse users' session identifiers.
Recommendation :
It is recommended to implement logout functionality.
Evidence/Proof Of Concept :
Step 1: Logout Functionality Not Implemented as shown in below screenshot.
